INTRODUCTION

This directory lists Interpreter Referral Centers, Interpreter Training Programs, and National and State certified interpreters. Registry of Interpreters for the Deaf (RID), National Association of the Deaf (NAD) and Michigan Quality Assurance (QA) interpreters have given us permission to list them by region of residence, according to the regions as established by the Michigan Registry of Interpreters for the Deaf.

When an agency, court, public service, public accommodation, deaf or hard of hearing person determines the need for an interpreter, it is strongly suggested that they contact the closest Interpreter Referral Center (IRC). The IRC will identify and send the most qualified interpreter for the assignment provided they have ample time to schedule the interpreter. Assignments of two hours or longer may require more than one interpreter.

Interpreters are listed alphabetically in their region, with their certification level behind their name. Those interpreters who are willing to travel, have asterisks after their name. Nationally certified interpreters are **strongly** recommended for **legal, mental health and long term counseling** situations.

Certified interpreters have been issued cards identifying them and their current skill level. It is good practice to ask to see their card. All card carrying interpreters are bound by the Code of Ethics which stresses the confidentiality of interpreted information.

If you are unable to secure a qualified interpreter or have further questions, please contact the Division on Deaf and Hard of Hearing at 877-499-6232 V/TTY toll free, 517-334-8000 V/TTY, or 517-334-6637 FAX.

The Commission on Disability Concern's Division on Deaf and Hard of Hearing (DODHH) has listed the Interpreter Directory as a resource for you.

Disclaimer:

The Interpreter Directory is published as required by P.A. 204 of 1982 to assist with effective communication. The DODHH cannot, however, guarantee the effectiveness of everyone listed in the directory.

Recommendation:

Please contact the DODHH for consultation and technical assistance when providing services to persons with a hearing loss.

LEGAL BASE AND DEFINITIONS

The legal basis for providing interpreters is found in the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act of 1990 (ADA), the Michigan Handicapper Civil Rights Act of 1976 (PA 220), and the Deaf Persons' Interpreter Act of 1982 (PA 204), which are detailed below.

1. **Rehab. Act of 1973 (Section 504)**- No otherwise qualified individual with handicaps in the United States...shall, solely by reason of...handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.
2. **ADA, Title II, Sec. 202 (PL 101-336)**-Subject to the provisions of this title, no qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of a public entity, or be subjected to discrimination by any such entity.
3. **ADA, Title III, Sec. 302 (A) (PL 101-336)**-General Rule.-No individual shall be discriminated against on the basis of disability in the full and equal enjoyment of the goods, services, facilities, privileges, advantages or accommodations of any place of public accommodation by any person who owns, leases (or leases to), or operates a place of public accommodation.
4. **PA 220, Article 1, Sec. 102 (PA 220 of 1976)**-The opportunity to obtain employment, housing, and other real estate and full and equal utilization of public accommodations, public services, and educational facilities without discrimination because of a handicap is guaranteed by this act and is a civil right.
5. **PA 204, Sec. 3 (PA 204 of 1982)**-In any action before a court or a grand jury where a deaf person is a participant in the action, either as a plaintiff, defendant, or witness, the court shall appoint a certified interpreter or in its discretion, appoint a qualified interpreter, to interpret the proceedings to the deaf person, to interpret the deaf person's testimony or statements, and to assist in preparation of the action with the deaf person's counsel.
6. **PA 204, Sec. 5 (PA 204 of 1982)**-If a deaf person is arrested and taken into custody for any alleged violation of a criminal law of this state, the arresting officer and the officer's supervisor shall procure a certified interpreter or a qualified interpreter in order to properly interrogate the deaf person and to interpret the deaf person's statements.

DEFINITIONS

Auxiliary aids and services (Sec 504-ADA)/ Adaptive devices or aids (PA 220)

Auxiliary aids and services/adaptive devices or aids includes:

- A. qualified interpreters or other effective methods of making aurally delivered materials available to individuals with hearing impairments.
- B. qualified readers, taped texts, or other effective methods of making visually delivered materials available to individuals with visual impairments.
- C. acquisition or modification of equipment or devices.
- D. other similar services and actions.

State and local governments and public accommodations are required to ensure that communications with customers or clients who are deaf or hard of hearing are effective. Effective communication can be achieved by providing auxiliary aids and services/adaptive devices or aids at the request of the deaf or hard of hearing person. Effective communication with people with disabilities is a continuing obligation.

A qualified interpreter may be necessary in situations regarding health, legal or financial matters. Whether or not an interpreter is needed depends upon:

- a deaf or hard of hearing person's communication skills

- importance of the communication
- whether the information is complex or lengthy

SUGGESTED GUIDELINES FOR COORDINATING INTERPRETER SERVICES

1. Find out the date, type and duration of event or situation.
2. Ask the Deaf or hard of hearing presenter(s) or attendee for interpreter preferences, needs, etc.
3. Determine the number of interpreters needed.
4. Decide whether you will contract with an interpreter referral agency or with individual interpreters. Discuss costs, billing procedures and any other special arrangements.
5. Identify, contract and confirm the interpreters for the assignment.
6. Designate or ask the agency to designate the "Lead" interpreter when there are more than one.
7. One to two weeks prior to the event, reconfirm the interpreters and forward the name and phone number of the "On-site" contact person, maps, itinerary or event agenda.
8. The day of the event, the "On-site" contact person can; greet the interpreters, explain the physical settings, introduce the deaf presenter or attendee if necessary, locate needed stools, glasses of water, adjust microphones and/or assistive devices and lighting and complete adjustments prior to the beginning of the event.
9. If interpreters are to work through meal times, arrangements should be made to have one interpreter eat the first half of the allotted meal time and vice versa for the other interpreter.
10. The "On-site" contact person should follow up with the deaf presenter or attendee to be sure the communication is effective.
11. The "On-site" contact person should check with the Lead Interpreter to see that everything is progressing well.
12. Evaluate the interpreters services and provide appropriate feedback to the referral agency or interpreter.
